

**CRITERIA TO BE APPLIED (Solicitor of the Year):**

**Summary:**

This award will be given to a solicitor (non-Partner) who has consistently demonstrated outstanding performance in their role as a qualified solicitor. The judges are looking for someone who has made a significant contribution both within their firm and more widely within the Birmingham legal community and is committed to furthering their impact as their career progresses. This may be shown through the individual's legal work or their involvement in additional projects or organisations; however, in all cases the judges will expect to see evidence that the individual has successfully taken a leading role rather than merely assisted. This award is open to all practising solicitors in Birmingham who are not partners, regardless of whether they are working at a large or small firm or in-house.
